"When we chose Lightfoot & Wolfville we knew that we were getting a breathtaking venue rain or shine, but what really made the decision for us was the hospitality and professionalism. The team at Lightfoot & Wolfville stopped at nothing to make our day seamless, relaxed, and from our perspective- effortless. Our guests repeatedly told us how impressed they were with the service and attention to detail- that they felt like royalty! It was such a relief to not have to concern ourselves with making the guest experience top notch- it was all done behind the scenes for us."
